

# The Bridge Scholarship

2022-2023

This Scholarship is specifically for young women who are high school seniors going into their first year of college. It's called the Bridge Scholarship because it's designed to share education with more driven young women. In our country, women have not had access to education as long as men have.

This is a \$1,000 scholarship (\$500 for the Fall Semester and \$500 for the Spring Semester).
